

Basso Care

11900 The Basso Care bedside table low model, is very compact and matches perfectly with the XLow bed range.

Low model with drawer

- 2 side panels and a tabletop.
- Made of melaminated chipboard (thickness 25 mm).
- The panels are connected to each other by means of wooden dowels and eccentric cams.
- The bedside table is equipped with a wooden drawer and front without handle.
- The drawer is installed in the cupboard frame by means of high-quality steel rails with an end stop.
- The rails are equipped with the tip-on mechanism. To open the handleless drawer, it is sufficient to push

briefly anywhere on the drawer front. Gently push the front to close the drawer.

- Thanks to the soft close mechanism, the drawer closes silently and effortlessly and has a synchronised feather-light glide.
