

# Eleva fixed height

**12456** The fixed height examination table consists of a metal frame and a mattress platform with one, two or three sections.

## Support

- Rectangular tube frame.
- 4 round metal legs.
- The legs are equipped with synthetic glides.

## Mattress platform

- Mattress platform with one, two (\*) or 3 (\*) sections.
- The mattress platform is upholstered with fire-retardant foam. The foam is 40 mm thick and has a density of 45 kg/m<sup>3</sup>.
- Finished with imitation leather.
- Two-section (\*) mattress platform with headrest, short backrest or long backrest.
- Three-section (\*) mattress platform with headrest and choice between short or long backrest.
- The backrest can be manually adjusted up to  $\pm 85^\circ$  by means of a gas spring.
- The headrest can be inclined manually upwards or downwards by means of a gas spring ( $-40^\circ$  to  $+40^\circ$ ).
- The seat support can be manually adjusted by means of a telescopic adjust.
- Height mattress platform: choice between 70 or 80 cm.

## Gas spring

- The headrest and backrest can be inclined by means of a gas spring.
- The gas spring that inclines the headrest can be activated by means of a lever that is situated on the side of the headrest.
- The backrest is inclined by means of a lever situated on both sides of the examination table.

## Colours

We would like to refer to our extensive colour gamut. Sample card + samples available on request.

## Accessories

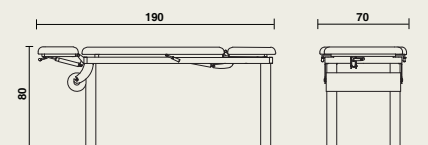

We would like to refer to our accessory list.

(\*) Option
