design that suits you

Hilo fix

The Hilo bed represents the HIDDEN philosophy perfectly: it offers design furniture without visual compromises, but with comfort and functionality in the heart of the design itself.

ref. 13870

DIMENSIONS AND TECHNICAL DATA

- width: 91 cm, length: 202 cm (depends on the mattress platform dimensions)
- safe working load: 200 kg (mattress included)
- mattress platform dimensions:
90 x 200 cm of 100 x 200 cm
90 x 210 cm of 100 x 210 cm

MATERIALS AND FINISHING

- metal: epoxy-coating RAL 9005 structure
- wood: plywood
- foam: CMHR foam (fire-retardant)
- all used materials are fire-retardant
- withstands the common cleaning products and disinfectants

For more information about the materials and construction: please check our material files. We would like to refer to our extensive colour gamut

OPTIONS

- wall spacer
- head panel (single or double version)
- bed connector
- felt glides to protect the floor
- mattress support

MATTRESS PLATFORM

- the 1-section plywood mattress platform is equipped with pockets springs (7 cm high) and edged with strong CMHR foam
- the mattress platform is finished with a fabric chosen by the customer
- the surface of the mattress platform is equipped with a highly comfortable and ventilating antiskid cloth with 3 Velcro fasteners. These can be used to fix the mattress on the mattress platform
- the bed has four wooden legs
- the optional bed connector allows to connect a fixed Hilo bed with a height-adjustable Hilo bed.
